PARENTAL/GUARDIAN CONSENT

Schools must collect consent forms for every student and turn in to event manager the day of the event. Students who do not turn in a form will not be able to participate in hands-on activities.

DRESS CODE

Students are required to wear full-length pants (no shorts or skirts) and regular shoes (no open-toed shoes, flip flops or sandals). Students will be required to wear hard hats and protective eyewear (both supplied by sponsors) during the event. Failure to meet dress code or wear safety equipment will NOT allow the student to participate in the "hands-on" activities.

EVENT DETAILS

The students will rotate every 20 minutes to a new activity booth.

These rotations will also include 2 break booths where students will be provided a lunch and be able to use the restroom. No students will be permitted to leave the property or immediate vicinity of the TRADE UP event. *Discipline will be handled by the adult chaperones accompanying the students.*

Student slots are limited. We suggest that you only bring students that have a sincere interest in a career in the building trades. The event will take about four hours. This is not a day off for students, but a serious learning experience.
